(For more information, contact Student Technology Services at 314.935-7100 or visit sts.wustl.edu)

HOW TO CREATE AND EDIT A WIKI PAGE

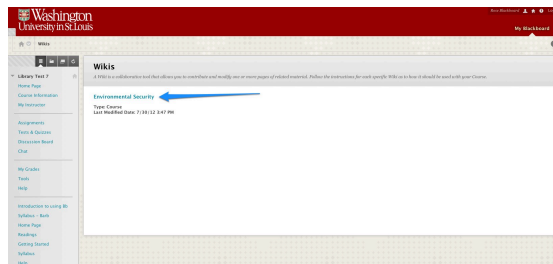

1. A Wiki page is used to create a collaborative space for the class. To create and edit a Wiki page, first click on Tools in your course menu's Home Page.

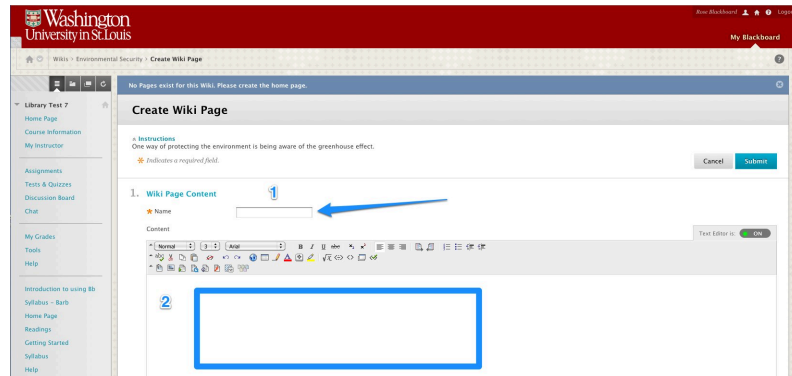

2. Find the Wikis listing and click on it.

3. Select the desired Wiki page.

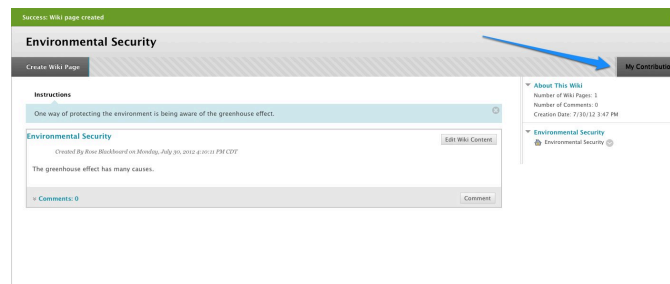

4. Enter a brief name for the Wiki (1) and content in the text editor box (2). You may also open an existing Wiki page and add to the content.

5. When you have completed adding content to the Wiki, submit.

6. You can check on your contributions to a Wiki page by clicking on My Contributions.
